Technical Skills

Programming Languages : C, C++, Core JAVA, DS using C, Javascript
Operating System : Windows, Linux (Ubuntu)
Technology Stacks : MERN Stack, Flutter Framework

Academic Project

1. Project Title: Fund Start

- **Technology Stack** : MERN Stack
- **Project Description:** A MERN Stack Web Application that will help Startups to enlist on a portal and Investors to search a startup to invest in. I worked on development of backend and software designing part of this project with College Project Team.

2. Project Title: Bakery and Cafes Location Tracker Module

- **Technology Stack** : Flutter Framework
- **Project Description:** A Flutter Bases Android Application Module that will help the user finding locations of Bakery and Cafés'. Challenging Project for a Startup. I had to learn new Flutter Framework for this Project. Learning phase took only 3 weeks.

Co-Curricular and Extra-Curricular

- Participated and Reached Final phase in “Ignited Innovators of India” Hackathon like Competition by C.O.E Pune Bhau Institute
- Chief Coordinator of the Event Management team for “WELCOME PARTY 2K19” event.
- Participated in Paper Presentation Competition in MILESTONE 2K18 and 2K19 arranged by S.S.B.Ts C.O.E.T Bambhori, Jalgaon.
